Looking down from it she saw Azver the Patterner rolled up in his grey cloak, sound asleep on the ground before her doorstep. She withdrew noiselessly into the house. In a little while she saw him going back to his woods, walking a bit stiffly and scratching his head as he went, as people do when half awake.. Linen of Pody is the best-so I've heard as far as Havnor. And I can tell the quality of what you're spinning. A beautiful thread it is." Crow watched his companion with amusement and some disdain; he himself could bargain for a book very shrewdly, but nattering with common women about buttons and thread was beneath him. "Let me just open this up," Tern was saying as he spread his pack out on the cobbles, and the women and the dirty, timid children drew closer to see the wonders he would show them. "Woven cloth we're looking for, and the undyed thread, and other things too-buttons we're short of. If you had any of horn or bone, maybe? I'd trade one of these little velvet caps here for three or four buttons. Or one of these rolls of ribbon; look at the color of it. Beautiful with your hair, mistress! Or paper, or books. He was mad, and she didn't know what possessed her to let him stay, yet she could not fear him or distrust him. What did it matter if he was mad? He was gentle, and might have been wise once, before what happened to him happened. And he wasn't so mad as all that. Mad in patches, mad at moments. Nothing in him was whole, not even his madness. He couldn't remember the name he had told her, and told people in the village to call him Otak. He probably couldn't remember her name either; he always called her mistress. But maybe that was his courtesy. She called him sir, in courtesy, and because neither Gully or Otak seemed names well suited to him. So for a half-month or more of the hot days of summer, Irian slept in the Otter's House, which was a peaceful one, and ate what the Master Patterner brought her in his basket - eggs, cheese, greens, fruit, smoked mutton - and went with him every afternoon into the grove of high trees, where the paths seemed never to be quite where she remembered them, and often led on far beyond what seemed the confines of the wood. They walked there in silence, and spoke seldom when they rested. The mage was a quiet man. Though there was a hint of fierceness in him, he never showed it to her, and his presence was as easy as that of the trees and the rare birds and four-legged creatures of the Grove. As he had said, he did not try to teach her. When she asked about the Grove, he told her that, with Roke Knoll, it had stood since Segoy made the islands of the world, and that all magic was in the roots of the trees, and that they were mingled with the roots of all the forests that were or might yet be. "And sometimes the Grove is in this place," he said, "and sometimes in another. But it is always."
