With all twelve fragments destroyed, the curse should have been lifted from little Bartholomew: the threat of the unknown, violent enemy who was represented by the four knaves. Somewhere in the world, an evil man existed who would one day have killed Barty, but now his journey through life would take him elsewhere. Eleven saints had been given twelve shares of responsibility for lifting this curse.."Why should I care whether you have any peace?" she asked, and she seemed to be listening to a woman other than herself..In the Fairmont coffee shop, Junior ordered french fries, a cheeseburger, and cole slaw. He requested that the burger be served cooked but unassembled: the halves of the bun turned face up, the meat pattie positioned separately on the plate, one slice each of tomato and onion arranged beside the pattie, and the slice of unmelted cheese on a separate dish..Shopping for fashion accessories relaxed Junior. He spent a few hours browsing for tie chains, silk

pocket squares, and unusual belts. Riding the up escalator in a department store, between the second and third floors. As Tom reached Celestina, she said, "Shots." She said, "Gunshots." She held the receiver in one hand and pulled at her hair with the other, as if with the administration of a little pain, she might wake up from this nightmare. She said, "He's in Oregon." Junior was reminded of a scene in an old movie, something Naomi wanted to watch, a love story set during the Black Plague: a horse drawn cart rolling through the medieval streets of London or Paris, the driver ringing a hand bell and crying, "Bring out your dead, bring out your dead!" If contemporary San Francisco had provided such a convenient service, he wouldn't have had to toss Neddy Gnathic in the Dumpster in the first place. "I can do this with just a very little Novocain," she said, "so your mouth won't be numb for dinner." He would come. She knew. She had always known, but had half forgotten. There was something special about Angel, and because of that specialness, she lived under a threat as surely as the newborns of Bethlehem under King Herod's death decree. Long ago, Celestina glimpsed a complex and mysterious pattern in this, and to the eye of the artist, the symmetry of the design required that the father would sooner or later come. Hackachaks to browbeat him into a despairing, exhausted, disgusted compliance with their greed. If the directory proved to be of no help, Junior would proceed next to the registry office at the county courthouse, to review the records of births going back to the turn of the century if necessary. Bartholomew, of course, might not have been born in the county, might have moved here as a child or an adult. If he owned property, he'd show up on the register of deeds. Whether a landowner or not, if he did his civic duty every two years, he would appear on the voter rolls. He knew the titles that he wanted: "Tunnel in the Sky, Between Planets, Starman Jones." And now she didn't need him anymore. He gazed at her face, held her cooling hand; his anchor was slipping away from him, leaving him adrift. From the chair in the corner, where Agnes sat, it seemed that Joshua took an inordinately long time on what was usually a quick examination. Worry so weighed on her that the physician's customary thoroughness seemed, this time, to be filled with dire meaning. "Now this. But even if your dad had cooperated with me, nothing would have changed. Since Phimie never revealed his name, I wouldn't have been able to go after Cain any differently or more effectively." Agnes had read the last half of Red Planet to Barty just the previous night, but he brought the book with him, to read it again. With that thought, he made himself laugh. Unfortunately, his laughter was high-pitched and shaky, and it scared the hell out of him. "Crafty men" is what they called wizards in those days. Reminding himself that fortune favored the persistent and that he must always look for the bright side, Junior began with the city itself and with those whose surnames were Bartholomew. This was a manageable number. Rudy's blue suit, as usual, pinched and shorted his shambling frame. Here in a boneyard, he appeared to be not just a man with a bad tailor, but a grave robber who looted the dead for his wardrobe. Vanadium understood the depth of his old friend's pain, and he knew that the anguish over the loss of a child could make the best of men act out of emotion rather than good judgment, and so he accepted Harrison's preference to let the matter rest. When enough time passed for reflection, what Vanadium ultimately decided was that of the two of them, Harrison was much the stronger in his faith, and that he himself, perhaps for the rest of his life, would be more comfortable behind a badge than behind a Roman collar. Uncle Jacob, cook and baby-sitter and connoisseur of watery death, cleaned off the table and washed the dishes while Barty patiently endured a rambling postbreakfast conversation with Pixie Lee and with Miss Velveeta Cheese, whose name wasn't an honorary title earned by winning a beauty contest sponsored by Kraft Foods, as he had first thought, but who, according to Angel, was the "good" sister to the rotten lying cheese man in the television commercials. He wasn't wholly without feeling, of course. A poignant current of sadness eddied in his heart, a sadness at the thought of the love and the happiness that he and the nurse might have known together. But it was her choice, after all, to play the tease and to deal with him so cruelly. "I'm a less philosophical sort than Kathleen," Nolly said, "so what I've been wondering is where you learned the tricks with the quarter. How is it you're priest, cop-and amateur magician?" Junior knew that he looked as guilty as any man had ever looked this side of the first apple and the perfect garden. The sweating, the spasms of violent tremors, the defensive note that he could not keep out of his voice, the inability to look anyone directly in the eyes for more than a few seconds-all were telltales that none of these professionals would overlook. He desperately needed to get a grip on himself, but he couldn't find a handle. An alley opened on Junior's left. He stepped out of the crowd, into this narrow service way shaded by tall buildings, and walked even more briskly, still not quite running because he continued to believe that he possessed the unshakable calm and self-control of a highly self improved man. His leonine head and bold features, framed by golden hair, should have conveyed strength, but the impression he might have made was compromised by a fringe of bangs that curled across his forehead, a style unfortunately reminiscent of effete emperors of ancient Rome. Angel, busy with a cookie through most of this, licked crumbs from her lips and asked Paul, "Do you have a puppy?" As punctilious as you might expect any good accountant to be, Bartholomew Prosser didn't delay long enough to make it necessary for Junior to ring the bell twice. The porch light came on. She damaged more of Joey's things than her own solely because he was such a big, dear giant, which made it easier to believe that he was constantly bursting out of his clothes. The paramedic snatched the oxygen feed from his patient's nose and quickly elevated his head, providing a purge towel to catch the thin ejecta. This time, even San Francisco, under a Chinese-blue sky stippled with a cloisonne of silver-and-gold clouds, couldn't provide solace or calm Celestina's nerves. Her sister's dilemma wasn't as easily put out of mind as any problem of her own might have been-and she herself had never been in such an awful situation as Phimie was now. Sliding one hand lightly along the railing, the boy quickly descended the short flight of steps and walked onto the soggy lawn, into the rain. He felt remarkably well when he arrived home: calm, proud of his quick thinking and stalwart action, pleasantly tired. He hadn't chosen to kill again; this obligation had been thrust on him by fate. Yet he had proven that the boldness he'd shown on the fire tower, rather than being a transient strength, was a deeply rooted quality. Too far from Spruce Hills to be a popular make-out spot for teenagers, Quarry Lake was a turnoff for young lovers also because it had a reputation as haunted territory. Over five decades, four quarry workers had died in mining accidents. County lore included stories of ghosts roaming the depths of the excavation before it was flooded-and subsequently the shoreline, after the lake was filled. She could have used the chair. Sitting, however, she wouldn't be able to see his face. By the time they reached the seventh painting, alcohol and rich French cuisine and Jack Lientery's powerful art combined to devastate Frieda. She shuddered, leaned with one hand on a canvas, hung her head, and committed an act of bad PR. In agreement, Maria pushed the stack of unused cards aside, and she peered at her hands as if she wanted to scrub them for a long time under hot water. "I guess so, but it's not that. I was thinking of something my little girl said."
