Crawford relaxed. The awful burden of responsibility, which he had never wanted, was gone. He was content to follow her lead. Dramatization is another. I (like many reviewers) often stage a little play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I? the real, historical personage? actually did or will or wish to rewrite story X, or that I expect its real,

historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory..Not long afterward I left. I didn't want to be hung-over on my first spell of picket duty. It was a cool night, and the stars were thick in the sky. I caught glimpses of the Project as I made my way home through the narrow streets. It dominates the whole city. The whole Plain, for that matter. It had sort of a pale, blurred look in the starlight, the six completed stages blending together, the uncompleted seventh one softly serrated against the night sky. Working on it every day, I've kind of forgot how high it is, how much higher it's going to be when we get back on the job. The highest thing ever, they say. I won't dispute that. It makes a palm tree look like a blade of grass and a man look like an ant. Looking at it tonight, I felt proud to be one of the builders. It was as though I'd built the whole thing myself. That's the way a bricklayer feels sometimes. It's really great I feel sorry for brickmakers. You'd never catch me slogging all day in a mud hole..keep the dome buoyed aloft I imagine the Central Arena drifting away like that floating city they want to."I haven't had an indecent proposition from you in days.
