We're the location to get for the referred book. And your time to obtain this guide as among the compromises has been ready. Calcutta (1814-18) Text..Then they brought trays and tables and amongst the rest a platter of red gold, inlaid with pearls and jewels; its margents were of gold and emerald, and thereon were graven the following verses:..She laughed and answered, 'O my lord, my story is a strange one and my case extraordinary. Know that I belonged aforetime to a Mughrebi merchant, who bought me, when I was three years old, and there were in his house many slave-girls and eunuchs; but I was the dearest to him of them all. So he kept me with him and used not to call me but "daughterling," and indeed I am presently a clean maid. Now there was with him a damsel, a lutanist, and she reared me and taught me the craft, even as thou seest. Then was my master admitted to the mercy of God the Most High (184) and his sons divided his good. I fell to the lot of one of them; but it was only a little while ere he had squandered all his substance and there was left him no tittle of money. So I left the lute, fearing lest I should fall into the hand of a man who knew not my worth, for that I was assured that needs must my master sell me; and indeed it was but a few days ere he carried me forth to the barrack of the slave-merchant who buyeth slave-girls and showeth them to the Commander of the Faithful. Now I desired to learn the craft; so I refused to be sold to other than thou, till God (extolled be His perfection and exalted be He!) vouchsafed me my desire of thy presence; whereupon I came out to thee, whenas I heard of thy coming, and besought thee to buy me. Thou healedest my heart and boughtedst me; and since I entered thy house, O my lord, I have not taken up the lute till now; but to-day, whenas I was quit of the slave-girls, [I took it]; and my purpose in this was that I might see if my hand were changed (185) or no. As I was singing, I heard a step in the vestibule; so I laid the lute from my hand and going forth to see what was to do, found thee, O my lord, on this wise:'.? ? ? ? y. The foul-favoured Man and his Fair Wife dccccxviii.Voyage of Sindbad the Sailor, The Sixth, iii. 203..I fear to be seen in the air, ii. 255..When she had made an end of her song, she wept till she made the bystanders weep and the Lady Zubeideh condoled with her and said to her, "God on thee, O Sitt el Milah, sing us somewhat, so we may hearken to thee." "Hearkening and obedience," answered the damsel and sang the following verses:..48. Haroun Er Reshid with the Damsel and Abou Nuwas dc.As for Er Reshid, he shut himself up with Tuhfeh that night and found her a clean maid and rejoiced in her; and she took high rank in his heart, so that he could not endure from her a single hour and committed to her the keys of the affairs of the realm, for that which he saw in her of good breeding and wit and modesty. Moreover, he gave her fifty slave-girls and two hundred thousand dinars and clothes and trinkets and jewels and precious stones, worth the kingdom of Egypt; and of the excess of his love for her, he would not entrust her to any of the slave-girls or eunuchs; but, whenas he went out from her, he locked the door upon her and took the key with him, against he should return to her, forbidding the damsels to go in to her, of his fear lest they should slay her or practise on her with knife or poison; and on this wise he abode awhile..When three nights had passed over her with their days of the second month, she despaired of him and her tears dried not up. Then she resolved to take up her abode in the city and making choice of a dwelling, removed thither. The folk resorted to her from all parts, to sit with her and hearken to her speech and witness her good breeding; nor was it but a little while ere the king of the city died and the folk fell out concerning whom they should invest with the kingship after him, so that strife was like to betide between them. However, the men of judgment and understanding and the folk of experience counselled them to make the youth king who had lost his brother, for that they doubted not but Selma was a man. They all consented unto this and betaking themselves to Selma, proffered her the kingship. She refused, but they were instant with her, till she consented, saying in herself, 'My sole desire in [accepting] the kingship is [to find] my brother.' Then they seated her on the throne of the kingdom and set the crown on her head, whereupon she addressed herself to the business of administration and to the ordinance of the affairs of the people; and they rejoiced in her with the utmost joy..? ? ? ? Most like a wand of emerald my shape it is, trow I; Amongst the fragrant flow'rets there's none with me can vie..Rail not at the vicissitudes of Fate, ii. 219..? ? ? ? Abasement, misery and heart-break after those I suffer who endured before me many a year..? ? ? ? I rede thee vaunt thee not of praise from us, for lo! Even as a docktailed cur thou art esteemed of me..Presently, El Abbas, son of King El Aziz, lord of the land of Yemen and Zebidoun (55) and Mecca (which God increase in honour and brightness and beauty!), heard of her; and he was of the great ones of Mecca and the Hejaz (56) and was a youth without hair on his cheeks. So he presented himself one day in his father's sitting-chamber, (57) whereupon the folk made way for him and the king seated him on a chair of red gold, set with pearls and jewels. The prince sat, with his head bowed to the ground, and spoke not to any; whereby his father knew that his breast was straitened and bade the boon-companions and men of wit relate marvellous histories, such as beseem the assemblies of kings; nor was there one of them but spoke forth the goodliest of that which was with him; but El Abbas still abode with his head bowed down. Then the king bade his session-mates withdraw, and when the chamber was void, he looked at his son and said to him, "By Allah, thou rejoicest me with thy coming in to me and chagrinst me for that thou payest no heed to any of the session-mates nor of the boon-companions. What is the cause of this?".I was once an officer in the household of the Amir Jemaledin El Atwesh El Mujhidi, who was invested with the governance of the Eastern and Western districts, (107) and I was dear to his heart and he concealed from me nought of that which he purposed to do; and withal he was master of his reason. (108) It chanced one day that it was reported to him that the daughter of such an one had wealth galore and raiment and jewels and she loved a Jew, whom every day she invited to be private with her, and they passed the day eating and drinking in company and he lay the night with her. The prefect feigned to give no credence to this story, but one night he summoned the watchmen of the quarter and questioned them of this. Quoth one of them, "O my lord, I saw a Jew enter the street in question one night; but know not for certain to whom he went in." And the prefect said, "Keep thine eye on him henceforth and note what place he entereth." So the watchman went out and kept his eye on the Jew..? ? ? ? g. The Seventh Voyage of Sindbad the Sailor dlxiii.Noureddin thanked him and they entered the slave-merchant's house. When the people of the house saw Abou Nuwas, they rose to do him worship, for that which they knew of his station with the Commander of the Faithful. Moreover, the slave-dealer himself came up to them with two chairs, and they seated themselves thereon. Then the slave-merchant went into the house and returning with the slave-girl, as she were a willow-wand or a bamboo-cane, clad in a vest of damask silk and tired with a black and white turban, the ends whereof fell down over her face, seated her on a chair of ebony; after which quoth he to those who were present, "I will discover to you a face as it were a full moon breaking forth from under a cloud." And they said, "Do so." So he unveiled the damsel's face and behold, she was like the shining sun, with comely shape and day-bright face and slender [waist and heavy] hips; brief, she was endowed with elegance, the description whereof existeth

not, [and was] even as saith of her the poet: As at the casement high she sat, her charms I might espy, For from her cheeks the envious veil that hid them she had ta'en. One day, as I was thus feigning sleep, I felt a hand in my lap, and in it a magnificent purse. So I seized the hand and behold, it was that of a fair woman. Quoth I to her, "O my lady, who art thou?" And she said, "Rise [and come away] from here, that I may make myself known to thee." So I arose and following her, fared on, without tarrying, till she stopped at the door of a lofty house, whereupon quoth I to her, "O my lady, who art thou? Indeed, thou hast done me kindness, and what is the reason of this?" "By Allah," answered she, "O Captain Mum, I am a woman on whom desire and longing are sore for the love of the daughter of the Cadi Amin el Hukm. Now there was between us what was and the love of her fell upon my heart and I agreed with her upon meeting, according to possibility and convenience. But her father Amin el Hukm took her and went away, and my heart cleaveth to her and love-longing and distraction are sore upon me on her account." Meanwhile Shah Khatoun went in to the king's son and conceived by him and bore a son, as he were the resplendent moon. When Belehwan saw this that had betided his brother, jealousy and envy overcame him; so he went in one night to his father's house and coming to his brother's lodging, saw the nurse sleeping at the chamber-door, with the cradle before her and therein his brother's child asleep. Belehwan stood by him and fell to looking upon his face, the radiance whereof was as that of the moon, and Satan insinuated himself into his heart, so that he bethought himself and said, 'Why is not this child mine? Indeed, I am worthier of him than my brother, [yea], and of the damsel and the kingship.' Then envy got the better of him and anger spurred him, so that he took out a knife and setting it to the child's gullet, cut his throat and would have severed his windpipe. How many, in Yemameh, (64) dishevelled widows plain! How many a weakling orphan unsuccoured doth remain. When the king heard their speech, he bade the crier make proclamation in the thoroughfares of the city that the troops should prepare [for the march] and that the horsemen should mount and the footmen come forth; nor was it but the twinkling of the eye ere the drums beat and the trumpets sounded; and scarce was the forenoon of the day passed when the city was blocked with horse and foot. So the king passed them in review and behold, they were four-and-twenty thousand in number, horsemen and footmen. He bade them go forth to the enemy and gave the commandment over them to Said ibn el Wakidi, a doughty cavalier and a valiant man of war. So the horsemen set out and fared on along the bank of the Tigris. 58. The Lovers of the Benou Udhreh (232) dcxlvi. By Allah, but that I trusted that I should meet you again, Your camel-leader to parting had summoned you in vain! ? b. The Merchant and his Sons ccccliv. King's Son of Cashghar, Abdullah ben Nafi and the, ii. 195. As for the vizier, the sultan discovereth unto him his affairs, private and public; and know, O king, that the similitude of thee with the people is that of the physician with the sick man; and the condition (169) of the vizier is that he be truthful in his sayings, trustworthy in all his relations, abounding in compassion for the folk and in tender solicitude over them. Indeed, it is said, O king, that good troops (170) are like the druggist; if his perfumes reach thee not, thou still smellst the sweet scent of them; and ill troops are like the black-smith; if his sparks burn thee not, thou smellst his nauseous smell. So it behoveth thee take unto thyself a virtuous vizier, a man of good counsel, even as thou takest unto thee a wife displayed before thy face, for that thou hast need of the man's righteousness for thine own amendment, (171) seeing that, if thou do righteously, the commons will do likewise, and if thou do evil, they also will do evil. ? i.
