That's one of the outcomes of precisely how your readers can be influenced by mcdougal outside of each concept. And this ebook is had to read through, some times detail by detail, so it may be consequently ideal for you and your life. 51. The Woman whose Hands were cut off for Almsgiving cccxlvi. The woman who used to act as decoy for them once caught them a woman from a bride-feast, under pretence that she had a wedding toward in her own house, and appointed her for a day, whereon she should come to her. When the appointed day arrived, the woman presented herself and the other carried her into the house by a door, avouching that it was a privy door. When she entered [the saloon], she saw men and champions (131) [and knew that she had fallen into a trap]; so she looked at them and said, "Harkye, lads! (132) I am a woman and there is no glory in my slaughter, nor have ye any feud of blood-revenge against me, wherefore ye should pursue me; and that which is upon me of [trinkets and apparel] ye are free to take." Quoth they, "We fear thy denunciation." But she answered, saying, "I will abide with you, neither coming in nor going out." And they said, "We grant thee thy life." When the king heard this, his anger subsided and he said, "Carry him back to prison till to-morrow, to we may look into his affair." Vizier Er Rehwan, King Shah Bekht and his, i. 215.. Officer's Story, The First, ii. 122.. The queen rejoiced in her and putting out her hand to her, drew her to herself and seated her by her side on the couch; whereupon Tuhfeh kissed her hands and the queen said to her, 'Know, O Tuhfeh, that all that thou treadest of these belong not to any of the Jinn, (224) for that I am the queen of them all and the Sheikh Aboutawaif Iblis sought my permission (225) and prayed me to be present at the circumcision of his son. So I sent to him, in my stead, a slave-girl of my slave-girls, to wit, Shuaaeh, Queen of the Fourth Sea, who is vice-queen of my kingdom. When she was present at the wedding and saw thee and heard thy singing, she sent to me, giving me to know of thee and setting forth to me thine elegance and pleasantness and the goodness of thy breeding and thy singing. So I am come to thee, for that which I have heard of thy charms, and this shall bring thee great worship in the eyes of all the Jinn.' (226).? ? ? ? ? t. The two Pigeons dxcvii. Then said Azadbekht to him (and indeed his words were [prompted] by anger and those of the youth by presence of mind and good breeding), "I bought thee with my money and looked for fidelity from thee, wherefore I chose thee over all my grandees and servants and made thee keeper of my treasuries. Why, then, hast thou outraged my honour and entered my house and played the traitor with me and tookest no thought unto that which I have done thee of benefits?" "O king," answered the youth, "I did this not of my choice and freewill and I had no [evil] intent in being there; but, of the littleness of my luck, I was driven thither, for that fate was contrary and fair fortune lacking. Indeed, I had striven with all endeavour that nought of foul should proceed from me and kept watch over myself, lest default appear in me; but none may avail to make head against ill fortune, nor doth endeavour profit in case of lack of luck, as appeareth by the example of the merchant who was stricken with ill luck and his endeavour profited him not and he succumbed to the badness of his fortune." "What is the story of the merchant," asked the king, "and how was his luck changed upon him by the sorriness of his fortune?" "May God prolong the king's continuance!" answered the youth.. As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks.. "O Shehrzad," quoth Shehriyar, "finish unto us the story that thy friend told thee, for that it

resembleth the story of a king whom I knew; but fain would I hear that which betided the people of this city and what they said of the affair of the king, so I may return from that wherein I was." "With all my heart," answered Shehrzad. "Know, O august king and lord of just judgment and praiseworthy excellence and exceeding prowess, that, when the folk heard that the king had put away from him his custom and returned from that which had been his wont, they rejoiced in this with an exceeding joy and offered up prayers for him. Then they talked with one another of the cause of the slaughter of the girls, and the wise said, 'They (162) are not all alike, nor are the fingers of the hand alike.'" Shah Bekht and his Vizier Er Rehwān, King, i. 215..? ? ? ? The world is upon me all desolate grown. Alack, my long grief and forlornness! Who knows. Meanwhile the messenger had reached the opposite camp with the news of Tuhfeh's deliverance, whereat the Sheikh Aboutawāif rejoiced and bestowed on the bringer of good tidings a sumptuous dress of honour and made him commander over a company of the Jinn. Then they fell upon Meimoun's troops and destroyed them to the last man; and when they came to Meimoun, they found that he had slain himself and was even as we have said. Presently Kemeriyeh and her sister [Wekhimeh] came up to their grandfather and told him what they had done; whereupon he came to Tuhfeh and saluted her and gave her joy of her deliverance. Then he delivered Meimoun's palace to Selheb and took all the former's riches and gave them to Tuhfeh, whilst the troops encamped upon the Crescent Mountain. Moreover, the Sheikh Aboutawāif said to Tuhfeh, 'Blame me not,' and she kissed his hands. As they were thus engaged, there appeared to them the tribes of the Jinn, as they were clouds, and Queen Es Shuhba flying in their van, with a drawn sword in her hand..139. Khuzeimeh ben Bishr and Ikrimah el Feyyaz dclxxxii. ? ? ? ? j. The Tenth Officer's Story dccccxxviii. TABLE OF CONTENTS OF THE UNFINISHED CALCUTTA (1814-18) EDITION (FIRST TWO HUNDRED NIGHTS ONLY) OF THE ARABIC TEXT OF THE BOOK OF THE THOUSAND NIGHTS AND ONE NIGHT..When she awoke, she said to the old man, "O elder, hast thou aught of food?" And he answered, "O my lady, I have bread and olives." Quoth she, "That is food fit but for the like of thee. As for me, I will have nought but roast lamb and broths and fat rissoled fowls and stuffed ducks and all manner meats dressed with [pounded nuts and almond-]kernels and sugar." "O my lady," replied the Muezzin, "I never heard of this chapter in the Koran, nor was it revealed unto our lord Mohammed, whom God bless and keep!" (31) She laughed and said, "O elder, the matter is even as thou sayest; but bring me inkhorn and paper." So he brought her what she sought and she wrote a letter and gave it to him, together with a seal-ring from her finger, saying, "Go into the city and enquire for such an one the money-changer and give him this my letter." There was once, of old days and in bygone ages and times, in the city of Baghdad, the Abode of Peace, a king mighty of estate, lord of understanding and beneficence and liberality and generosity, and he was strong of sultanate and endowed with might and majesty and magnificence. His name was Ins ben Cais ben Rebiya es Sheibani, (47) and when he took horse, there rode unto him [warriors] from the farthest parts of the two Iraks. (48) God the Most High decreed that he should take to wife a woman high Affeh, daughter of Ased es Sundusi, who was endowed with beauty and grace and brightness and perfection and justness of shape and symmetry; her face was like unto the new moon and she had eyes as they were gazelle's eyes and an aquiline nose like the crescent moon. She had learned horsemanship and the use of arms and had thoroughly studied the sciences of the Arabs; moreover, she had gotten by heart all the dragomanish (49) tongues and indeed she was a ravishment to mankind..? ? ? ? "Take comfort, for the loved are come again." When the king had departed on his journey, the vizier said in himself, 'Needs must I look upon this damsel whom the king loveth with all this love.' So he hid himself in a place, that he might look upon her, and saw her overpassing description; wherefore he was confounded at her and his wit was dazed and love got the mastery of him, so that he said to her, saying, 'Have pity on me, for indeed I perish for the love of thee.' She sent back to him, saying, 'O vizier, thou art in the place of trust and confidence, so do not thou betray thy trust, but make thine inward like unto thine outward (113) and occupy thyself with thy wife and that which is lawful to thee. As for this, it is lust and [women are all of] one taste. (114) And if thou wilt not be forbidden from this talk, I will make thee a byword and a reproach among the folk.' When the vizier heard her answer, he knew that she was chaste of soul and body; wherefore he repented with the utmost of repentance and feared for himself from the king and said, 'Needs must I contrive a device wherewithal I may destroy her; else shall I be disgraced with the king.' Presently, her husband entered and saw the girdle and knew it. Now he was ware of the king's love for women; so he said to his wife, 'What is this that I see with thee?' Quoth she, 'I will tell thee the truth,' and recounted to him the story; but he believed her not and doubt entered into his heart. As for the king, he passed that night in chagrin and concern, and when it morrowed, he summoned the chamberlain and investing him with the governance of one of his provinces, bade him betake himself thither, purposing, after he should have departed and come to his destination, to foregather with his wife. The chamberlain perceived [his intent] and knew his design; so he answered, saying, 'Hearkening and obedience. I will go and set my affairs in order and give such charges as may be necessary for the welfare of my estate; then will I go about the king's occasion.' And the king said, 'Do this and hasten.' "By Allah, he treadeth no carpet of mine! Who is at the door other than he?" "Jerir ibn el Khetefa," answered Adi; and Omar said, "It is he who saith ... " [And he recited as follows:]. They lighted down without the place and when they arose in the morning, they saw a populous and goodly city, fair of seeming and great, abounding in trees and streams and fruits and wide of suburbs. So the young man said to his sister Selma, 'Abide thou here in thy place, till I enter the city and examine it and make assay of its people and seek out a place which we may buy and whither we may remove. If it befit us, we will take up our abode therein, else will we take counsel of departing elsewhere.' Quoth she, 'Do this, trusting in the bounty of God (to whom belong might and majesty) and in His blessing.'? ? ? ? Whenas thou passest by the dwellings of my love, Greet him for me with peace, a greeting debonair,
